

CHOOSING YOUR CHARACTER

Choose 2 roles you would like to play and 1 role you definitely don't want to play.

- 1) A woman in an unstable position who fights for the love of one of the other characters. In the past, she was betrayed by another of the character.
- 2) A woman who unwittingly neglects important relationships and is confronted with her failure.
- 3) A woman who strives to keep her style of life, although she repeatedly destroys her relationships in the process.
- 4) A woman who suffers because of other characters' decisions and tries to change her situation.
- 5) A woman dealing with the topic of motherhood and the question of her relationship's future.
