

USA - Colonel J. W. Barret

red	green	blue
Let the others know loud and clear that they should listen to you; USA runs this meeting.	You think it is important to listen to opinions of all the parties involved. You will make effort everyone gets their time to talk.	The Japanese representative is annoying you; let him know that he has no right to even talk about this situation.
You are aware that the U.S. is the only party with any say in this. It is your war and the others should not meddle in it. Use all your powers to assert your opinion. Every upcoming green personality trait becomes red.	You are convinced that general agreement should be a result of negotiation. You will not accept any forced conclusion. Each upcoming red personality trait becomes green.	Japan attacked USA; you have the right to defend yourselves. You are aware that you are defending your motherland that gives you space to live your life in and your family. If people will die, USA is certainly in the right. Share this opinion with everyone. Each upcoming white personality trait becomes blue.
Your conduct is very aggressive. If it is necessary to assert yourself, shoot your enemy - the Japanese or the German.	In case someone wants to use a firearm against anyone, you will do your best to stop them.	You think that civilian casualties are necessary both to end the war and to provide scientific progress. It is impossible to count individual lives. Push the attack through.

Great Britain – lord/lady D. J. Hamilton

red	green	blue
Your country won the war. You are convinced that you have right to decide. The German or the Japanese (you choose) should not even talk about it. Show them you think that.	Everybody's opinion should be listened to. Everybody should have their say, but some opinions may not be taken into account. Make sure the discussion is conducted in this way.	God save the Queen. England rules the world and you know it. The Russian still has straw sticking out of his shoes and the German is trying to seem as innocent as a baby. Show them you think that.

Goals of world powers should be asserted by force; at the end of the day no one else has to mince their words either. Choose someone who disagrees with you and make them take the heat in front of everybody. Each upcoming green personality trait becomes red.	You are an honorable person. You will not assert any lies. Each upcoming red personality trait becomes green.	It is your country's job to ensure the order in the world. Japan declared a war - Japan will reap what they sowed. Present this opinion publicly. Each upcoming white personality trait becomes blue.
If necessary, you have no trouble shooting someone you think puts you in danger.	In case a shooting ensues, you protect those who are being shot at.	Some weapons are crueler than others, but the end justifies the means. After all, civilians are only potential soldiers, one cannot afford to differentiate as much. The harder the strike is, the better the world will be. Assert the nuclear attack.

USSR – Gen. Alexander Volin

red	green	blue
Clearly, your mission is to convince others to do what is in your interest.	Although the result is definitely given by USA and Russia, you understand that other people are entitled to say their opinions as well. Pick someone who has not been having enough speaking time and ensure they can express their opinion.	Russia won the war. Russia has clear interests others have to respect. You have incredible force behind you. Express it to two people in a personal conversation.
If someone clearly tries to oppose you, do not be afraid to stand your ground. Each upcoming green personality trait becomes red.	You understand that people are agitated; you are able to forgive a personal attack against yourself. Pick someone who behaves aggressively and challenge them not to take themselves too seriously. Each upcoming red personality trait becomes green.	In order to get better information on the bomb effect for Russia, it is necessary that the bomb is dropped on Tokyo. Condition your valuable vote with this location publicly. Each upcoming white personality trait becomes blue.

<p>If need be, you will shoot everyone if it enables you to get your way.</p>	<p>You will not try to solve conflicts with violence.</p>	<p>If USA wants to do something, it can only happen if the Soviet Union approves it officially. Condition your vote by admitting cooperation between USSR and USA.</p>
---	---	--

Germany – Dietrich Bonhoeffer

red	green	blue
<p>You feel inappropriate. You feel like you are only here as a hostage and you have no right to say anything. At least talk to some people about your opinions personally.</p>	<p>You have seen much suffering and you know that a lot of it was caused by your nation's pride. You will try your best to understand others and not to be hostile. nepřátelsky. Make sure that someone who is unable to assert themselves in public gets their say.</p>	<p>You think that as a representative of a defeated country, you should not have the right to be deciding on such things. If someone asks, express this opinion.</p>
<p>You feel like taken hostage here; like you must agree with others because you are the defeated one and they hold power over you. Take the floor and speak publicly - try to convince others. Each upcoming green personality trait becomes red.</p>	<p>No one can push you to decide against your conscience. You would rather die. Each upcoming red personality trait becomes green.</p>	<p>America won the war, it is the most advanced power, it should have the right to decide about the world. Express this opinion publicly. Each upcoming white personality trait becomes blue.</p>
<p>If you feel someone is threatening you, use a weapon to defend yourself.</p>	<p>You are willing to sacrifice your own life for someone else, if need be.</p>	<p>If there is a fast solution to end the war, it should be used regardless of civilian casualties. Support the nuclear attack publicly.</p>

Japan – Asakazu "Asa" Nagai

red	green	blue
-----	-------	------

<p>You will not speak to anyone who is not strong and does not have clear opinions.</p>	<p>You are aware that you are not part of the victorious party. Although you do not want to lose your honor, you know that you will not have much of a choice here. Watch the debate closely</p>	<p>Civilians are soldiers who fight for the Emperor through their work. They cannot be differentiated in a state of war. If asked, express this opinion loud and clear</p>
<p>You are not the type of man who is willing to compromise. Let everyone know clearly. Each upcoming green personality trait becomes red.</p>	<p>You are willing to listen to another opinion and consider it. Each upcoming red personality trait becomes green.</p>	<p>If Americans want to fight with strong weapons, they might as well do it. But they need to prepare to meet your resistance. If asked. Express this opinion publicly, loud and clear. Each upcoming white personality trait becomes blue.</p>
<p>Victory is a matter of honor to you - either you assert your opinion (even if you have to kill everyone else) or you die (even if you should kill yourself).</p>	<p>You accept the diplomatic defeat.</p>	<p>Americans might as well kill all Japanese civilians, that is their right in the war. You would do the same if you were in their place.</p>

Poland - Levin Rosenzweig

red	green	blue
<p>You are not willing to speak to the Japanese guy or the the German.</p>	<p>Maybe the vengeance is not yours. May it be God's?</p>	<p>The war is not over; all culprits must be punished. Share this opinion with someone.</p>

<p>You are here to take your vengeance. Prevent the Japanese and the German to say anything in the discussion. Each upcoming green personality trait becomes red.</p>	<p>Don't do to anyone what you don't want them to do to you. Each upcoming red personality trait becomes green.</p>	<p>Americans lost their people, they have the right to seek vengeance. Say it publicly. Each upcoming white personality trait becomes blue.</p>
<p>Death for death - you kill the German or the Japanese or both.</p>	<p>You have seen too much evil - you will do your best to prevent any further conflict.</p>	<p>Warmongers need to be taught a lesson at any rate. The harder the better. Regardless of civilian casualties.</p>

white

You wonder whether more tests should be performed before the bomb drops for real. Tell someone.

You are having second thoughts; maybe you could achieve your goal in another way. After all, you outnumber them, so it is not necessary to use force of such magnitude. Share this opinion publicly. Each upcoming blue personality trait becomes white.

You will not allow a nuclear weapon to be used against civilian population.

white

You are not sure whether American have everything under control as much as they claim. Share this opinion with the American.

You are wondering whether you are able to decide about human lives. This is beyond defending one's country - it is still war - but this time you may be the attacker. Distance yourself openly from direct responsibility for the attack.

Each upcoming blue personality trait becomes white.

You do not approve of the attack if you have any doubts that its consequences could put larger civilian population in danger, and you are persistent about this opinion.

white

Americans should not use such weapons by themselves. Talk about it with an American and one other person.

You are afraid the bomb could eventually pose a threat to the Russian people as well.

America could become a single world ruler with this weapon. Share this opinion with at least half of the meeting participants. Each upcoming blue personality trait becomes white.

You are a little afraid of more wars with these weapons. Try to stop it.

white

You are afraid of superweapons and of all they can do to people. Tell two people in person.

Human lives cannot be considered necessary casualties. It is immoral and inhumane. Present this opinion publicly. Each upcoming blue personality trait becomes white.

You remember the consequences of American bombardments on German cities. Although you know that it was necessary to ensure victory, you do not want anyone else to go through such hell and you will not allow it.

white

It is not always necessary to destroy your enemy completely. Share this opinion with someone.

You think that soldiers should fight soldiers, not civilian population. Express this opinion publicly. Each upcoming blue personality trait becomes white.

If a war is impossible to win and it only leads to dying, it is not necessary to continue with it. Especially when civilians are the ones dying. You are against the nuclear attack.

white

You do not think that people on the victorious side should be as cruel as the losers. Share this opinion with the American, the Brit and the Russian.

Human hate and meaningless killing should end. Present this opinion publicly. Each upcoming blue personality trait becomes white.

You do not want to reenact what you saw in the concentration camps. Human dignity must not be humiliated; such a weapon must not be used.
