

Workshop notes

Jane

You feel amazing with Mary! Too bad you will stop being classmates pretty soon - will you continue to see each other? Billy and Alex are so annoying! You wish they would disappear already! You are really mean to them.

Mary

Jane and you are good friends, you feel good with her. Too bad you will stop being classmates pretty soon - will you continue to see each other? Alex is so annoying! You wish he would disappear already! Be mean to him, keep putting him down. But in the end, have a vodka or two with him.

Billy

It's now or never. Last chance to tell Jane how you feel. Too bad you can never do it, you're too shy. At least try to tell her anyway. If it doesn't work out, find some consolation at the bottom of the vodka bottle.

Alex

It's now or never! Last chance to fuck Mary. You won't take no for an answer. You're determined to get her drunk. Keep ordering shots of vodka for the both of you.
